## TAWJIHI STATION

Our life has a lot of important things( issues ) . One of these things is this topic that discusses Obstacles are what you see when you take your eyes off the goal. I am sure that everyone will reflect it from a different opinion. In this article, I will talk about an obstacle that faced me and how I overcome it. This obstacle that Most students face is Tawjihi level .

First of all , there are many obstacles that I faced such as ,time management, wasting time on video games and social media ,staying up late and I faced a problem in online learning . In addition, there are other obstacles like, Stress and negative thinking.

Secondly , To solve these problems I did many things ( steps ) like , Taking breaks between subjects during studying also avoiding negative people. Also , I took other steps like , Drawing up timetables , waking up early , Dividing subjects correctly and revising regularly.

Finally , in my point of view , Tawjihi level is the most important station in a student`s life . I learnt to be a responsible person , make the right decisions , determine my goals and be an optimistic person .
